3rd Pharma Bangladesh 2012 International Expo

International Exhibition on Machinery, Equipments, Materials & Services for the Pharmaceutical Sector of Bangladesh

www.pharmabangladesh.com

Highlights

CEMS `4th Meditex Bangladesh 2012 International Expo' & `3rd Pharma Bangladesh 2012 Expo' – the leading Exhibitions for the Medical, Healthcare & Pharmaceutical sector

CEMS-Global - Conference & Exhibition Management Services Ltd.- USA & CEMS Bangladesh, the Multinational Exhibition Organizer since 1992, with its operations in 7 countries and organizing over 37 Exhibitions per annum, in its efforts to organize the most important and much needed Trade Shows in South & South-East Asia, pleased to bring its "4th Meditex Bangladesh 2012 International Expo" – Bangladesh's Biggest and only International Exhibition on Medical Equipments, Surgical Instruments, Healthcare, Hospital Equipments & Supplies from May 3 ~ 5, 2012 at Bangabandhu International Conference Centre, Dhaka – Bangladesh.

On the same date, Concurrent Exhibition also held, namely, `3rd Pharma Bangladesh 2012 International Expo' - An International Exhibition on Machinery, Equipments, Materials & Services for the Pharmaceutical Sector of Bangladesh.

4th Meditex Bangladesh 2012 Expo & 3rd Pharma Bangladesh 2012 Expo considered as a leading and most important Exhibitions for the Medical, Pharmaceutical & Healthcare sector of Bangladesh and a must attend event for everyone related to the Medical & Healthcare sector including Medical professionals, Doctors, Surgeons who can see the latest equipment, devices & instruments that are emerging in the world market on display right here in Bangladesh. The event was not only being an exhibition but also a complete resource tool for the entire Medical and Healthcare Industry of Bangladesh.

CEMS-Global's main objective to hold the above shows was to bring global equipment, devices & machinery manufacturers in closer contact with Bangladesh. Participating companies would be presenting world-class showcase of leading technology, innovations and initiatives in medical, hospital and pharmaceutical equipment and supplies. Organizations who were devoted to providing good healthcare facilities in our country would be able to source their needs at this exhibition and at the same time keep themselves updated on the latest products and services available globally.

4th Meditex Bangladesh 2012 International Expo along with `3rd Pharma Bangladesh 2012 Expo', with its international participation of companies from China, India, Taiwan, USA, Pakistan, Singapore and also showcasing world famous equipments & technology, will accomplish its objective of bringing world class Medical, Surgical, Pharmaceutical & Hospital Equipment manufacturers and suppliers to Bangladesh who will showcase the latest equipment, devices & instruments for the entire Medical & Pharmaceutical sector of Bangladesh in the Exhibition.

Special emphasis has also been given to the Healthcare sector where CEMS has extended full support to the local Healthcare Industry, which has expanded over these years with new hospitals and world standard facilities available at the doorstep of the Bangladeshi people, who now do not have to go abroad for their treatments and check-ups in which Bangladesh also loses foreign exchange. Bangladeshi Hospitals have seen a drastic improvement in their Healthcare facilities and standards in recent years to cater to the people of the country.

CEMS Bangladesh has organized this mega exhibition for the Medical, Hospital & Healthcare Industry of Bangladesh in association with CEMS USA. Daily Shamakal, Daily New Age, are media partners and www.doctorsbd.com is the web partner of the '4TH Meditex Bangladesh 2012 Expo' & '3RD Pharma Bangladesh 2012 International Expo'.

**The Bangladesh Medical sector is growing at over 15% per annum
How fast is your sale to Bangladesh growing??**

- Your ONLY exclusive Gateway to the Medical & Hospital sector of Bangladesh
- A showdown for New Medical Devices & Equipments, Surgical Instruments, Dental Equipment and Hospital Equipment & Supplies under one roof
- A perfect B2B platform for the entire Medical & Healthcare sector of Bangladesh
- Being the ONLY exhibition of its kind in Bangladesh, Meditex sees attendance from Doctors, Surgeons, Clinics, Importers, Distributors, Agencies and officials from Government & Private Hospitals who visit to explore and source new products
- Private sector interest in the Medical sector has seen colossal investments in Bangladesh in recent years with a further growth potential. Major investments in the Hospital sector include commencing of operations of leading and renowned Hospitals like Apollo Hospital, Square Hospital and United Hospital
- Bangladeshs' Medical sector fully depends on imported Medical devices & equipment and imports are rising along with the growth of the sector
- With the rapidly increasing Medical and Hospital sector and investments happening with active involvement of the private sector and the Government liberalizing its policies, Bangladesh makes a perfect destination to further mark your presence or further expand your business and forge business deals
- Thus Meditex provides a perfect B2B platform for manufacturers / distributors to have an eye-to-eye interaction with potential buyers of Medical, Surgical and Hospital equipment of Bangladesh.

Mark your presence and ensure your participation in the next edition
